

The 6th Contest of an illustration of Honeybee

organized by Yamada Bee Company,

The Asahi Gakusei Shimbun Company

Purpose:

Honeybee is social creature like human connected to various plants and other creatures of nature. By paying attention to the relationship between human and honeybees and the environment, children will have a good chance to learn. The aim of this project is to have better understanding of importance of "natural environment", "assisting each other" and "life".

Theme of illustration:

Any theme will be welcome, as long as about Honeybees.

For example, "Flowers and honeybees", "Honeybees in nature" or "Human and honeybees"
